Trinity Sportsman Ministries

Trinity was established as a non-profit organization in 2005. In 2006 we began beginner youth archery programs. Since then, Trinity has branched out into offering beginner bow hunting clinics, partnering with local churches, archery shops and the FWC.

Trinity continues to hold true to the mission of sharing Jesus Christ in these activities. In recent years, Trinity Sportsman Ministries has hosted several hunts in Florida, impacting the families of Central Florida. Trinity Sportsman Ministries has partnered with a local homeless ministry and donated several hundred pounds of wild hog meat to feed the homeless in Plant City.

Trinity Sportsman Ministries thanks you for your continued support of our programs and helping to share the Gospel of Jesus Christ.

SHOOTING FOR MINISTRIES

Come enjoy a great day of food, fellowship, and friendly competition at FishHawk Sporting Clays. This event allows you to impact the youth of central Florida by providing the opportunity to share Christ and God's creation through hunting, fishing, and other outdoor activities.
